Hi All,

We currently have a Commercial LinkT account which has a fee of \$71.50 per annum. There are three tags attached with this account and of our current vehicles there are two registration's.

I would like the OC to make a decision on whether to continue this account or close it. If we can locate who has the three tags we can return them when the account is closed, otherwise these tags have a non return fee of \$15 each.

Kind Regards

Suzie❤️
