## Department of Regional NSW and Department of Planning and Environment

Changes live from 3 April 2023

New system and processes to provide better payment experience for our suppliers

### Financial System Changes

Changes to financial systems for the Department of Planning and Environment and the Department of Regional NSW will occur in April 2023.

These changes may include bank account details for payment of invoices, invoice numbers and customer numbers.

### What you need to do

Please carefully check your invoice details and/or reminder notices prior to making any payment, to ensure that your payment is allocated to the correct account.
