

Update from Domains.coop Support Team

Domains.coop Support <contact@domains.coop>

Wed 29/03/2023 2:41 AM

To: Domains.coop Support <contact@domains.coop>;

Dear Cooperator,

[2023 Domains.coop Customer Satisfaction Survey](#)

Please click the link above to complete the survey, which will be open until the 1st of May. If you are not comfortable with clicking on the link in the email, please go to our website www.domains.coop and you can click on the link directly.

This time last year we conducted a customer service satisfaction survey to give you the opportunity to tell us about your experiences with the Domains.coop support team. Your feedback last year was invaluable and prompted us to make changes to our website, communications and add several new articles to our KnowledgeBase.

Now, we would like to hear from you again!

Please take 2 minutes to complete the above survey, which consists of 6 multiple choice questions. We will review all the answers and use this feedback to further improve the support we can give to you, our valued customers.

Many Thanks!

Domains.coop Team
