VNI West RRG 3 Minutes.pdf;

Hi Emma

As mentioned below are the dates for the public consultation for the VNI line proposed to be built in Moulamein.

I am not sure if the line will directly impact DTE property, but it will be close. They are huge 70m powerlines.

It is proposed to go through our property which is across the river from DTE.

Locals are up in arms, it was sprung upon everyone with a very short timeframe however that timeframe has now been extended.

I just want to make sure as many people are aware of it as possible.

Cheers

Kate
