Subject: Vehicle asset register

Dear Asset Management subcommittee

The Organising Committee would like a list of registered vehicles owned by DTE.

This list should include information on where each vehicle is currently located and, if not at Warooma, who is currently in possession of the vehicle.

The OC would also like to know the intended purpose for each vehicle and the intended use, if any, of the vehicle during the period in which we are unable to hold a ConFest.

The OC would also like to advise that vehicles will be discussed at the next OC meeting and members of the Asset Management may like to attend.

Please respond to this email by 27 August as this information is required for the discussion at the OC meeting on that night.

Kind regards

Kathy Ernst on behalf of the Organising Committee
