Hello all,

What a hard year for us all, and in particular a hard year for the survival of small business - my thoughts are all with you and I hope you are doing ok?

Thought to touch base with you in light of the recent Premiers announcement of Victoria's Roadmap to Recovery. I'm reaching out to all of CERES ongoing hirers and checking in with you to get an update to see* if* you will be resuming ongoing hire with us in 2020.

It would be great to hear back from all of you so I can plan accordingly for the remainder of the year. *(Some of you have already let me know you will not be returning for 2020)*

Also a small update in regard to 2021 MoU's, I plan on touching base with you all at the end of November to see if you will be hiring a space at CERES during 2021, and subsequently following through with MoU's if applicable. So stay tuned for that email.

Best wishes to you and your communities,

Cheers,

Cass
