>> Dear Secretary,

>>

>> On numerous occasions we have witnessed complete disregard for, and breaching of, various DTE rules.

>> In our opinion, this is putting our cooperative at risk, and making it dysfunctional.

>>

>> Specifically the concern that we are raising in this complaint is excessive and inappropriate spending, and continuing spending on items prohibited by motions, voted for, and moved at our last SGM in June/July 2020.

>>

>> Out of Love, and concern for our cooperative and ConFest, we feel we have no other choice but to hereby lodge a formal complaint against the cooperative under section 11 of the DTE rules.
