IMPORTANT NOTICES

TAX INVOICE

This document describes our proposed supply of insurance to you and will become a Tax Invoice for GST when payment is made. Where our agent or your broker issues you a Tax Invoice, which includes an amount for this supply of insurance, your payment is against the agent's or broker's invoice and this document does not become a Tax Invoice. If you are registered for GST purposes, your input tax credit entitlement is or is based on the GST amount shown above. Please note that, in accordance with the GST law relating to insurance premiums the GST amount may be less than 1/11th of the total amount payable.

FIRE SERVICES LEVY

A levy has been charged on this policy which is used to help fund the provision of fire services in Victoria or New South Wales (depending on the location of the insured property). Legislative changes in New South Wales in late 2008 introduced funding arrangements for state emergency services in addition to the existing funding arrangements for fire services. Accordingly, where the insured property is situated in New South Wales, the levy is also used to help fund the provision of state emergency services in New South Wales. The Fire Services Levy amount charged on this policy is the amount we have allocated to this policy based on the location of the insured property and the total estimated amount CGU expects to pay in this financial year.

COOLING-OFF PERIOD

If you decide that you do not wish to continue with this policy, you have twenty-one days after the commencement of this insurance to request cancellation. We will provide you with a full refund of premium paid, provided you have not made a claim under the policy.

The company reserves the right to vary the premium or the terms of this policy if, after the 'date of issue' of this notice, a claim is made relative to an event which occurred prior to the commencement of the 'period of insurance' shown hereon.

INSURER SOLVANCY

We do not warrant or guarantee the current or ongoing solvency or financial viability of the insurer because we have no control over the insurer's performance and this can be affected by many complex commercial and economic factors

PREMIUM FUNDING WARNING

Premium funding allows you to spread out the cash flow associated with paying your insurance premiums over the next twelve months. We receive a commission from the funder for arranging the funding contract, full details are available on request.

Please note that should the insurance policy be cancelled before the expiry date for whatever reason, the Premium Funder will charge you the full interest applicable to the contract, as detailed in the Loan Application Form. Typically there will be no refund of our commission on the refund premium and no refund of any fee we may have charged you for arranging the cover. We also reserve the right to charge you a policy cancellation handling fee. In some cases insurers also apply minimum premiums to policies, which may further reduce the refund that you might otherwise receive.

The impact of the above on you is that any refund you receive for the mid-term cancellation of your policy will usually be significantly less than a pro rata calculation would produce and in extreme cases may involve you having to make an additional final payment even though the policy has been cancelled. Therefore prior to cancelling a policy and replacing it with another cover we strongly recommend that you discuss your situation with us so that we can advise the exact extent and impact of the early cancellation provisions mentioned above.

UTMOST GOOD FAITH

Every contract of insurance is subject to the doctrine of utmost good faith which requires that the parties to the contract should act toward each other with the utmost good faith. Failure to do so on your part may prejudice any claim or the continuation of cover provided by Insurers.

UNDERWRITING AGENTS AND WHOLESALE BROKERS

In some cases we access insurance products via Underwriting Agents and Wholesale brokers rather than directly with the insurer. In such cases should you wish to access the Financial Services Guide of the Underwriting Agency or Wholesale Broker please contact us and we will arrange to have a copy sent out to you.

CONTACT AGREEMENT

To ensure that we provide you with appropriate products and services, you agree to us calling you at our discretion to discuss any new products and services. If you do not wish to receive such calls

A.F.S. 235409 A.B.N. 22 006 299 298

please advise us and we will place you on our Do Not Call Register.

VALUATIONS

Please provide us with current valuation for all property to be insured otherwise at the time of a loss you may sustain a very serious co-insurance contribution and there is nothing we can do to change this.

AVERAGE / CO-INSURANCE

It is most important that the Sum Insured you select is adequate to represent the value of the insured property and is calculated in accordance with the cover being arranged.

Otherwise, you will be under-insured and in terms of the Average / Co-insurance provisions of your policy, you may be responsible for paying part of the loss you actually suffer.

If the subject matter of insurance (or part thereof) relates to Industrial Special Risks, Fire & Perils or Business Interruption/Consequential Loss, then the policy (or part thereof) will be subject to average. This means that if the sum insured you nominate for buildings, plant, machinery, stock is less than 100% of its value (100% for Business interruption / Consequential Loss) at the time the insurance was effected (or renewed), then part of the loss will / may not be covered by the policy. For example a policy with a 100 % co-insurance clause pays as follows: if a building is insured for \$150,000 when its value is \$200,000, then in the event of a claim for damage of \$100,000, insurers will only pay \$75,000 and you will be your own insurer for the balance.

Some policies contain an Average/Co-Insurance clause which is fully set out in the "Basis of Cover" or "Policy Specification" of the policy. For the types of cover most usually provided, the Average/Co-Insurance calculation is arrived at by applying the Rate of Gross Profit, Revenue or Rentals (as applicable) tothe Annual Turnover, Revenue or Rentals (as applicable); these factors first being appropriately adjusted as provided for in the "Trend of Business" or "Other Circumstances"

If you are in any doubt regarding this clause insofar as it applies to your policy, please contact your Account Manager for assistance.

ALTERATIONS

No alterations to the risk whatsoever will be admitted until you have notified us in writing and will not take effect until acceptance is confirmed by the insurance underwriters.

PAYMENT

You will not be insured if you fail to pay the premium in full within 14 days from commencement of the risk for new policies and prior to the due date for renewals unless alternative credit arrangements have been agreed with us in writing.

NEW POLICIES

Notwithstanding the above, you will not be insured if you do not submit the relevant Proposal within 30 days from commencement of the risk unless an extension of time has been agreed with us in writing.

INTERESTS OF OTHER PARTIES

Many policies exclude cover for an interest in the insured property held by someone other than the named insured, unless that interest is specifically noted on the policy. For example, if property is jointly owned, or subject to finance, the interest of the joint owner or financier may be excluded, if it is not specifically noted on the policy.

COOLING OFF

All Retail Products are subject to a 14-day "cooling off period". This means that if you are not happy with a Retail Product, you have 14 days to withdraw from the new contract at no cost to you other than our broker's fee, which is not refundable.

DISCLAIMER

This notice is a summary only (errors and omissions excepted) and does not purport to be a copy of the insurance underwriters' policy or other documents. In case of any discrepancy, the underwriters' documents will prevail.

TERMS OF TRADE

Payment of this account constitutes your acknowledgement and acceptance of these conditions and authorises us to act as your insurance brokers for the risks outlined on the face hereof and no others unless specifically agreed by us inwriting.

SUBROGATION

You are warned that should you become a party to any agreement that has the effect of excluding or limiting your insurer's ability to recover from a third party, yourinsurers may have the right to refuse to indemnify you for such loss where it is shown that your insurer's rights of recovery have been prejudiced by your action.

RIGHTS OF RECOVERY AGAINST OTHERS

It is a condition of a Contract of Insurance that you may not forego any right of recovery that may exist against another party without prior approval in writing being given by your insurer.

CLAIMS MADE POLICY

Some policies provides cover on a "claims made" basis which means that claims first advised to you (or made against you) during the period of insurance are covered irrespective of when the incident causing the claim occurred. To protect your entitlement to indemnity under these policies you must report to insurers without delay and prior to expiry of the policy period all incidents that may give rise to a claim against you.

CLAIMS OCCURRING POLICIES

Most of your policies do not provide indemnity in respect of events that occurred before the insurance commenced. They cover events that occur during the policy period.

PAYMENT AND DECLARATION

By paying the premium, you hereby agree that:

- Your declaration that the information and answers provided in this document are truthful, accurate and complete. No information likely to affect our decisions about this insurance has been withheld. If any information or answer provided in this document is not correct, incomplete or has changed you will notify us promptly.
- You have received the Product Disclosure Statement (PDS) and accepted to be bound by the terms and conditions contained in it.
- You have read and understood the Duty of Disclosure notice set out on the previous page of this document.
- You have authorised your insurer to give to or obtain from other insurers or insurance reference bureaus any information about your insurance and claims history and any other information relating to this insurance if required at any time.

CONTRACTS, AGREEMENTS & INDEMNITIES WITH OTHER PARTIES

A policy will usually only cover the policy holder and named insureds. Liability policies pay compensation on the basis of a legal liability to pay and are limited in scope by the terms and conditions of the policy wording issued by your insurers. This is generally based on liability at common law or in negligence and statutory law and this is not always consistent with contractual liability.

Since insurance policies do not respond to every loss, liability, damages, compensation or cause, there are usually gaps between your insurance policies and your liability under a contract. This is why it is critical to obtain legal advice as to whether your policies would respond to a breach of your contractual obligations and whether those obligations are inconsistent with your liability at law. It is also prudent to seek legal and broking advice on the scope of cover offered under your policy to see whether it is consistent with the requirement of any insurance requirements and other clauses in the contract which may make you liable for losses or costs beyond that which for which the policy provides.

CONTRACTS AND LEASES YOU SIGN

If you sign a contract with an indemnity, "hold harmless" or release, it can invalidate your insurance — unless you obtain the Insurer's consent in advance. These clauses are often found in leases and other contracts you sign from time to time relating to your business. Do not sign a contract or lease without contacting us and/or taking legal advice as to whether the contract terms will prejudice your policy.

SUB-CONTRACTORS NOT COVERED

Your insurance policy does in most cases, not cover sub-contractors. All sub-contractors must be self-insured and you should ensure that their cover is in place at alltimes.

Any claim made upon an uninsured sub-contractor will not be covered under this policy.

WELDING

Welding is generally not covered under standard insurance policies unless it is advised to the insurer and agreed by them. If any welding is to be done by you, please advise your broker. If welding cover is granted, Australian Standards need to be adhered to. Contact our office for further details.

FLOOD

Your Policy may not automatically cover flood damage. However, flood cover is offered by several insurers. If flood cover is required please contact your broker who will approach an insurer. This cover is dependent upon acceptance by an insurer.

LEASING, HIRING AND BORROWING PROPERTY

When you lease, hire or borrow property, make sure that the contract clearly identifies who is responsible for insuring the property.

Industrial Special Risks policies automatically cover property which you are responsible to insure, subject to the policy excess. Public liability insurance may assist you meet claims relating to property damage to property which you lease or hire. A sub-limit usually applies to the amount you can claim for damage to property in your care, custody or control.
