To whom it may concern

Please accept this and the email below as inwards correspondence.

I have not received a reply or acknowledgment to my request to have sharepoint access repaired or reinstated. I do not know what the cause is but I am unable to sign in to sharepoint.

Could someone please fix this issue?

Kind regards

Peter Tippett

Hi Troy and the rest of the sharepoint team

I am having issues with my sharepoint access.

Can you please have a look and provide a solution so that I am able to access documents being discussed.

Thank you

Peter Tippett
