## Important Information

### Good news on NSW electricity prices

On 1 July 2020, our electricity charges went down for most New South Wales residential and small business customers. Our GreenPower electricity charges also reduced on 1 July, for customers with GreenPower. You would have received a letter or email from us in June, if any changes apply to you. You'll also see any new charges on this bill. Find more at [originenergy.com.au/nswpricechange](http://originenergy.com.au/nswpricechange).

### Fee changes 1 January 2021

Some new fees will apply from 1 January 2021 for most residential and small business customers on a standard retail contract. Along with this Bill, we've included some information called 'Upcoming fee changes', to notify you of the fee changes that will apply from this date. Please read this information. Other exclusions may also apply. You'll also find more in our FAQ at [originenergy.com.au/feesandcharges](http://originenergy.com.au/feesandcharges).
