Thank you for your email. I will send your Co-operative Secretary a report. I am unable to individually correspond and all official correspondence is via the Proper Officer/s. I shall send that email a response.
Many thanks

Subject: Down To Earth 838-2018. C0000908 Dear Tanya,

I am writing on behalf of the Down To Earth Organising Committee. As our deadline for compliance to this directive is due on Thursday 31 December 2020 we are asking if there has been an official report done re the NRAR cleanup. There was an inspection carried out by Simon and Steve on Tuesday 27th October 2020 at Pretty Pine Road Moulamein N.S.W., when we were given a "verbal" thumbs up. I would like to thank you for all your assistance on said matter, our thanks also to Simon & Steve for the way in which they carried out the inspection.

Kind Regards

Suzie Helson on behalf of DTE Organising Committee
