Hi John and other mods at ocmail@dte.org.au

Please include this as inwards correspondence to the OC.

I hope you all had a great Christmas.

I received this reply (see below) from Coral regarding my questions related to the mail lists and [active-members@dte.coop](mailto:active-members@dte.coop) and [inactive-members@dte.coop](mailto:inactive-members@dte.coop)

Are you able to explain what the deal is?

Also who are the mail moderators of the OC?

I have included my questions again.

Kind regards

Peter Tippet

Hi Coral

I see you have sent this to another email list.

Can you explain what the deal with with [active-members@dte.coop](mailto:active-members@dte.coop) <<mailto:active-members@dte.coop>> and [inactive-members@dte.coop](mailto:inactive-members@dte.coop) <<mailto:inactive-members@dte.coop>> ?

I tried sending to the above emails lists and although I have been added to them I am unable to send to them.

Regards

Peter

Regarding [active-members@dte.coop](mailto:active-members@dte.coop) and [inactive-members@dte.coop](mailto:inactive-members@dte.coop) email lists.

When did they start?

Who can send to them (this is also a test to see if I can).

How do the admins obtain the lists when so many including thr OC do not get access to information regarding who is a member or their active status?

Kind regards

Peter Tippett

Subject: re covid-19 / Woorooma

Dear Members

Currently we have a person at Woorooma who left Sydney's hot spot recently. As a result people who were traveling to site have changed their plans and now returning home.

Please consider this a health and safety warning to not to travel to site for at least 14 days.

This is Coral who acting on behalf herself and not in a director's capacity. No doubt the board will meet soon to discuss this matter.

Regards,

Coral
