Subject: Battery shed upgrade

Date: Fri, 26 Mar 2021 11:06:05 +1100

---

Hi all

We would like to share with you all one of the small projects we completed yesterday Andrew Wilkinson , Richard Woodgate and myself cleaned off the top of the battery shed as it was loaded down with branches and leaves we also cleaned out the battery shed completely rebuilding the rotten shelves , installing two handmade steel wall cabinets and hooks for jumper leads .

This should make it easier to maintain and know were the batteries are !
