Hi Brendan,

As per my phone call this afternoon, we have processed two separate payments today, \$170 + \$192 totalling \$362.00 which takes our account up to today, 22/7/21.

Unfortunately to pay the next instalment we need to have this approved by our Organising Committee next Thursday 29/7/21. This will mean that we will be 7 day's in arrears until this is approved. As explained, we are looking at moving the stock in our container once Covid restrictions ease, thank you for letting me know that we can advise on dates as soon as we know without penalty. Could you please email the next invoice to account@data.dte.org.au as this will help in the approval of payment.

Thank you for all your support

Cheers Suzie

On behalf of DTE.
